Dear Creative Care Families,

Thank you for choosing to enroll your child at Creative Care Childcare Centers! My name is Mirella Romualdi. As the Operations Manager, it is my job to support the individual needs of each Creative Care Location. I work closely with Site Directors and Teaching Staff to ensure that we are providing a loving and developmentally appropriate environment where each individual child is provided a safe place to play and learn.

I graduated from West Chester University in 1995 with a Bachelor's Degree in Elementary Education. I had been working in child care settings during college and decided to remain committed to the early childhood field throughout my teaching career.

I spent 8 years as a Director for Mulberry Child Care and Philadelphia Navy Base CDC, respectfully. In 2004, I became involved with Keystone Stars as a trainer for early child care educators. I was the Director of our Jeffersonville location up until April 2010. My commitment to the quality of the overall program has led me to this current Operations position. I am proud to work for an organization that recognizes the importance of a quality early childhood program.

I am confident that your child will have a wonderful experience at Creative Care. If at any time you have questions or concerns, please do not hesitate to contact me. My office is located at our Jeffersonville Center on the second floor. You may reach me by phone or email listed below. Also, don't forget to visit our website at www.creativecarechildcare.com for more information.

Sincerely,

*Mirella Romualdi
