

Directors Corner:

Happy New Year to all of our Creative Care families! 2011 came and went and the holidays kept everyone busy. Hopefully you are all settling into the New Year! Thank you to all of our families that helped participate and joined us for our holiday show and parties. The following special activities took place at our Plymouth location during the month of December.

Infants– Created holiday cards for our families and a few of our babies reached new milestones such as crawling and standing on their own. Good job!

YT A & YT B- Miss Colleen taught us new bath time signs such as teeth brushing and bath. Created a "walking in winter wonderland" using our feet!

Older Toddlers– Created Christmas trees, practiced cutting different shapes with scissors, and painted snowy day pictures.

Preschool 1– Set up their new fish tank and named all of their fish. Added new letters to their alphabet handwriting books.

Preschool 2– Practiced counting objects such as mini marshmallows which resembled "snow". Preschool 2 also had a strong focus on manners. Continued practice of name writing took place as well.

Pre-K– Learned about all of the different holidays through different hands on activities such as playing the dreidel game, writing New Years resolutions, Christmas tradition sharing, circle game called pass the present.
